
Creating a Successful Business Plan Class

Online Continuing Education Class - Takes 15-24 hours of your time

Turn your business ideas into a solid plan for financing and long-term success. Committing your idea to paper in the form of a business plan not only increases your chances of obtaining financing, but also in keeping your business strategically focused.

You will work through all the major components of writing a business plan and emerge with your first draft in hand. And most importantly, you will have completed the first-and most difficult-step on the path to small business success.

If you are a proposed or startup entrepreneur, this class prepares you to apply for the Spring 2023 HCC Business Plan Competition!

How it works: Complete 12 online lessons (each about 1.5 - 2 hours) with quizzes to advance to next lesson. At the end of the 12 lessons, take the multiple choice test to complete the class. (Hint - Save your quizzes; they prepare you very well for the final). The whole class takes about 15-24 hours of your time.

Easy Enrollment - Takes just three minutes to register for the class!
